

IBA SA – Regulated information

November 16th 5:45 pm

Publication made under article 15 of the law of May 2, 2007 relating to the disclosure of major holdings in issuers whose shares are admitted to trading on a regulated market and containing various provisions (Belgian Gazette 12.VI.2007) (hereinafter, the “Law”)

Under this provision:

"[...] the issuer publishes the total capital, the total number of securities conferring the right to vote and voting rights, as well as, by category, the number of securities conferring the right to vote and voting rights vote, at the latest at the end of each calendar month in which an increase or a decrease in these numbers occurred.

On each publication referred to in the first paragraph, the issuer also mentions, if applicable, the total number of bonds convertible into securities conferring the right to vote and rights materialized or not by securities to the subscription of securities conferring the right to vote not yet issued, the total number of voting rights that would result from the exercise of these conversion or subscription rights and the total number of shares without voting rights. "

The following information are current as of November 09th , 2022

Nature of information		Remark
Amount of capital (EUR)	42.502.318,54	
Securities with voting rights =(A)	30.282.218	This is the basis for calculating the 30% threshold provided in article 5 of the takeover law of April 1, 2007 (Belgian Gazette 26.IV.2007)
Shares with voting rights	30.282.218	
Shares with loyalty voting right (section 28 of the articles of association) =(B)	8.120.827	
Existing voting rights =[A-B+(B*2)]	38.403.035	This is the denominator under which must be calculated the quota of voting rights that can give rise to notification in accordance with article 6 of the Law
Bonds convertible into shares (CB)	0	

Nature of information		Remark
Voting rights that would result of CB conversion	0	
Subscription rights (warrants) issued and exercisable	20.000	
Voting rights that would result of warrant conversion	20.000	
Statutory and legal thresholds (section 35 of the articles of association)	1%, 2%, 3%, 4%, 5%, 7.5%, 10%, 15%, etc. par tranche de 5%	These are the thresholds under which the crossing, whether upward or downward (including passive crossing), gives rise to notification in accordance with section 6 or 18, §2, of the Law.

Contact person for threshold crossing notifications: shareholderrelations@iba-group.com.

Shares endowed with the right to vote in loyalty: registered shares recorded in the share register for at least two consecutive years in the name of their holder (section 28 of the articles of association, in accordance with section 7:53 of the Companies and Associations Code).

Following the introduction of the loyalty voting right by decision of the general meeting of March 10, 2020, the calculation method used by IBA to determine the number of shares with the loyalty voting right at any time is the LIFO method (last in, first out), namely: for the same registered shareholder, the shares which the latter most recently acquired are the first shares which will be deducted from his "basket" of registered shares if he transfer shares thereafter.

Statutory ceiling (section 7, paragraph 1, of the articles of association: "No shareholder may, with companies and persons related to him, participate in the voting at general meetings for a number of votes exceeding 35% of the votes attached to all of the shares with voting rights issued by the company"): currently 35% of 38.339.545, i.e. 13.418.840,8 votes.

ISIN Code : Euronext Brussels BE0003766806

About IBA
