

IBA launches a tender for the audit of its statutory and consolidated financial statements

Ion Beam Applications ('IBA') SA is launching a tender for the audit of its statutory and consolidated financial statements, as from financial year 2023. This tender is launched in order to respect the procedure described in the EU framework under regulation 537/2014 (dated April 16, 2014), related to specific requirements regarding statutory audit of public-interest entities, published in the Belgian Official Journal on July 6, 2016.

Candidates are requested to notify IBA of their intention to participate to the tender at the latest by October 4, 2022. The final written proposals will be accepted until November 2, 2022. The detailed request for proposal is available through written request on the e-mail addresses below.
